

EAC

EUROPEAN ASSOCIATIONS COOPERATION

# Together for Europe's promotional products industry:

EAC European Associations Cooperation

International Summit 2025 – **Registration** Guide

# What is it about

Short info about the Event

The **International EAC Summit 2025**, taking place from **May 19–21, 2025**, in **Leuven, Belgium**, is a groundbreaking event for the international promotional products industry. Organized by the **European Associations Cooperation (EAC)** and the **Promotional Products Association International (PPAI)**, the Summit provides a platform for exchanging innovative solutions to current challenges and future opportunities.

Together, we can better overcome challenges, drive innovation and promote sustainable growth.

# Our path to change

## Facts & Figures

**Date and Location:** May 19–21, 2025, Leuven, Belgium

The International Summit brings together leading decision-makers and visionaries from the industry to address the challenges and opportunities of the future.

**Key focus areas include:**

- **Sustainability:** Solutions for a more environmentally friendly industry.
- **Digital Transformation:** Unlocking the potential of new technologies.
- **Global Supply Chains:** Ensuring security and resilience in a rapidly changing world.
- **Cross-Border Politics:** Regulatory developments and their impact on the industry.

The Summit aims to foster innovative ideas, create synergies, and prepare the industry for the future.

# The location

The center of Europe

Leuven, a charming city in the heart of Europe, provides the perfect backdrop for the Summit.

- A blend of historical charm and modern infrastructure.
- Centrally located and easily accessible for participants from across Europe.
- Inspiring venues ideal for networking and collaboration.
- Home to the European Associations Cooperation (EAC), making it the operational hub and strategic heart of the industry's European activities.

Together, we can better overcome challenges, drive innovation and promote sustainable growth.

# Who we are

## Introduction of the EAC

The EAC (European Associations Cooperation) is a newly founded umbrella organization for the promotional products industry in Europe. This association was created to pool the **strengths and knowledge** of the various national associations.

Our aim is to promote and **strengthen intensive cooperation** between the various national associations of the promotional products industry in Europe.

Together, we can better overcome challenges, drive innovation and promote sustainable growth.

# Our path to change

Mission & vision EAC

## MISSION.

The EAC promotes cooperation between the national associations of the promotional products industry in Europe. Our aim is to raise the profile of the promotional products and textile industry at European level by sharing best practice between member countries.

## VISION.

We want to raise the profile of the promotional products and textile industry in Europe and establish it as an essential part of the marketing mix. By working together and sharing best practice, we strive to create a stronger, more innovative and sustainable industry. Our aim is to raise the profile of the industry and promote a harmonized, competitive market landscape in Europe.

# Our focus

The cornerstones of the EAC

01

Greater visibility in politics and industry through targeted lobbying

02

Saving resources by pooling them

03

Raising the profile of the industry in Europe

04

Supporting national associations by sharing knowledge

05

Promoting innovation and sustainable practices

# The power of community
